Range Policies and Rules

Obeying safety rules ensures an efficient and orderly club operation. All members and guests must be in compliance with all federal, South Carolina State, and local laws, at all times, while on the range premises. Any violation of these procedures, policies, restrictions, and regulations should be reported to a club officer. Violations will be investigated and may result in disciplinary action.

General Information

- Every Member has a DUTY to report rules violations and unsafe acts.
- Members must provide their own ammunition, paper targets, staplers and tape.
- The range is monitored with closed circuit cameras for the safety of all members of the facility.

Safety Rules

- Before anyone moves forward of the firing line, all firearms on the firing line must be holstered or laid on the table, muzzle pointed down range, slides open, magazines out, cylinders open and empty.
- Anyone seeing an unsafe condition must declare a cease-fire.
- Every shooter has the personal responsibility to make sure that each bullet fired impacts safely in the dirt berm or steel target.
- Loading and unloading of guns must be done only on the firing line.
- ALWAYS wear safety glasses and ear protection while on a "hot" range (meaning when guns are loaded and people are shooting).
- ALWAYS keep the gun pointed in a safe direction - downrange toward the targets.
- ALWAYS keep your finger off the trigger until ready to fire.
- ALWAYS keep the action open with the gun unloaded, benched, and muzzle pointed in a safe direction or keep the handgun holstered when someone is downrange.
- DO NOT handle any firearm when someone is downrange.
- ALWAYS treat guns as if they are loaded.
- ALWAYS fire downrange into the dirt berm. The signs, and target frames/stands are NOT impact areas.
- No firing is allowed over or to the sides of the DIRT BERM. Firing is NOT permitted in any other direction other than into the DIRT BERM.
- No firing in areas not designated as shooting bays.

Range Hours

- The Panteao Range Facility is open to club members from Monday to Saturday from 9:00AM to 7:00PM. On Sunday the range is open from 1:00PM to 7:00PM. The Rifle Bay is open on Sundays only for **suppressed** rifle calibers. You cannot use a rifle caliber on the rifle bay on Sundays if it does not have a suppressor. The 360-Bay is open on Sundays for handgun calibers and

suppressed rifle calibers. You cannot use rifle calibers in the 360-bay on Sundays if you do not use a suppressor.

- The Panteao Range Facility may periodically be closed to members either during the week or on weekends due to the Panteao filming schedule or other Panteao events. In some instances, just a specific bay is closed instead of the entire range. To keep up to date on the range schedule, visit the calendar page on this website or sign up for our newsletter.

Procedures For Using The Range

- To enter into the property, you must use your club issued gate card at the card reader by the entrance. That will open the motorized gate. Please note that the gate is timed for one vehicle. Do not tailgate. Panteao is not responsible for damage to vehicles.
- Before setting up your equipment, check to ensure no one is down range.
- Before going down range to place your target, check to ensure that no one is shooting and the line is safe.
- Follow all safety procedures while using the range.
- Clean the area used and pick up your spent brass when you are finished shooting.
- Place ammunition misfires (duds) in the containers located on each range. Do not throw ammunition in the grass, under the bench, in garbage cans, or in the brass barrel.
- To exit the property, use your gate card at the exit card reader to open the gate.

Guests

- Members are allowed no more than one shooting guest at any one time.
- Members must accompany their guest at all times.
- Members are responsible for their guest's conduct and safe gun handling.
- All South Carolina State laws pertaining to the use of firearms must be adhered to at all times.
